

## **BEYOND THE SKY**

*Words by J. Fernando Ortega*

*Vocal Solo by John A. Schreiner*

There's coming when time is done  
A morning when all our sorrow  
And all that we fear is gone

I long for that holy day  
My longing, sometimes it catches my heart  
And carries my heart away

*(Chorus)*

Beyond the sky

Beyond all telling

(our) The Father Himself will be our light

His arms will hold us

And with His hand

He'll wash away the tears

That stain our eyes

When darkness falls over me  
This promise, it's like a fire inside  
Burning the dark away
